UCPPath is the University of California’s priority program to implement a comprehensive payroll, benefits, human resources and academic personnel system for all UC employees. It will replace UC's 35-year-old Payroll/Personnel System (PPS) with a single new, modernized payroll and HR technology system.

UCI will launch UCPPath in January 2020.
Prepare now for the UCPPath transition.

- Verify/update your personal information, including home address and phone number. Visit [https://atyourserviceonline.ucop.edu](https://atyourserviceonline.ucop.edu)

- Confirm your UCInetID and password. Visit [https://oit.uci.edu](https://oit.uci.edu) or contact your supervisor

- Sign up for Direct Deposit if you currently receive a paper paycheck. Starting January 2020, paper paychecks will be mailed to home addresses on payday and may take 2 to 5 days for delivery. Visit [https://accounting.uci.edu/payroll/direct-deposit.html](https://accounting.uci.edu/payroll/direct-deposit.html)

- Sign up for DUO Multi-Factor Authentication. This second layer of security to protect your information will be required to access the UCPPath portal. Visit [https://oit.uci.edu/mfa](https://oit.uci.edu/mfa)
